

Gaige 105 Projector Instructions

PennState
Berks

Gaige 105 Instructor station is located in the right front corner of the classroom with Wall plate for AV control.

Please remember to turn off room system, exit all programs, and log out of PC.

1. Press ON to turn on the projector at the wall plate.

VIDEO MUTE

AUTO IMAGE

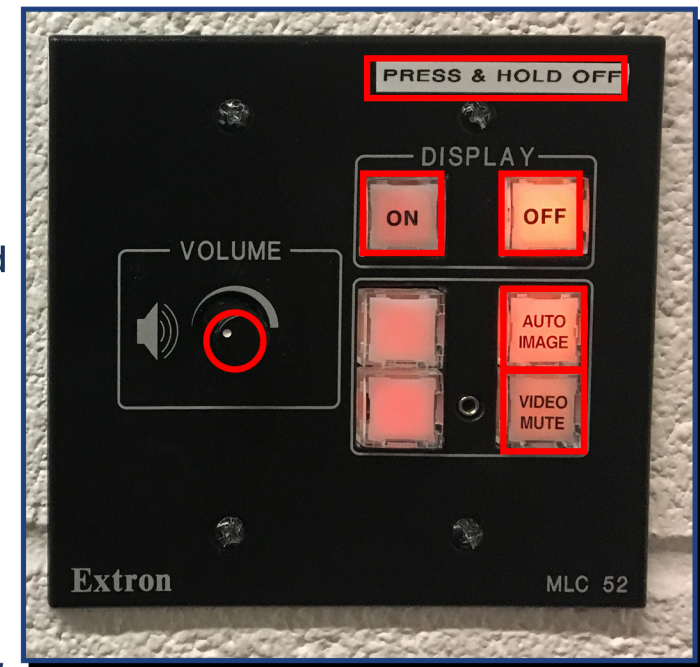

VOLUME control

Press and hold OFF button to shut down projector.

The switch box is used to control which monitor is being viewed, PC 1 or PC 2.

Two PC's are available at the Instructor station. PC 1 is connected to the projector. PC 2 is for use with connected machine and doesn't project. Use the switch box to control the monitor for PC viewing.
